AIM OF THE PROJECT

To enhance the role of the intermediary in the intercultural relations & education, providing them with a mentor approach tailored to support them to guide disadvantaged youngsters. **Intercultural mentoring** is an essential tool for communication that facilitates social inclusion groups in order to help their personal and professional development.

ENGAGEMENT MENTORING AS A TOOL FOR SUPPORTING THE POSITIVE NARRATIVE OF ROMANI CHILDREN AND THEIR ENROLLMENT IN THE EDUCATION SYSTEM

LET'S

MENTOR

WITH

ATTITUDE

Co-funded by the European Union

MAIN

RESULTS

"Facilitator Training for Engagement Mentoring in Education"

Training curriculum for trainers and social workers working with Romani young people and children.

"A brain to pick & an ear to listen"

teaching and training event in Thessaloniki, Greece aiming at piloting of the mentoring modules, focusing on the trainers and their assessment.

OBJECTIVES

1 Capitalize the existing European experience in the process of providing counseling services to marginalized people.

2 Adapt the existing knowledge into an innovative training curriculum.

3 Introduce a mentoring methodology aiming at supporting Romani youth and children in the educational process and career guidance.

4 To upgrade the existing skills of social workers, counselors and trainers in the field of Romani support services.

TARGET

GROUPS

Trainers, experts in social integration, social workers, educators, teachers, job counselors with relative experience in working with Romani people

Mediators, counsellors and experts with Romani background

Mentoring experts

Experts worked in the research and studies of the Romani mediation process and policy makers

Local stakeholders and social services at national & international level
