LET'S MENTOR WITH ATTITUDE

What have we been up to

Development of Training Modules

Partners worked closely into developing the material for the Training Curriculum.

Each of the six Training Modules consist of two parts:

- a. The theoretical material with helpful information on dealing with specific situations and
- b. The practical part with usefull exercises mentors can practice with their mentees

The Handbook

MODULE 5  
Conflict mediation & dilemma solving,  
skill-enhancing mode

Theory

Following the peer-review and testing of the Training Modules, we published the "Training for Engagement Mentoring in Education" Handbook.

You can access the Handbook in English, French, Greek, and Italian on the [pal-enroll webpage](http://pal-network.eu/pal-enroll)

## A Brain to Pick and an Ear to Listen

**We organized the teaching-training activity in Thessaloniki Greece. The aim of the training was to present the Engagement Mentoring for Romani approach to teachers and social workers from partners' countries!**

**More than 15 experts from Greece, Belgium, and Italy got familiar with the mentoring process and deeply understood the role of a mentor in the improvement of the performance of a child in education when facing both socio-economic and socio deographic disadvantages!**
